

Mary Campbell Center Connections

Volume 1

April 2017

Little Letters

Dear Resident Care Technicians,
You work very hard and don't get enough credit. I love RCTs! Everyone should take time to appreciate their hard work. Without them, there would be no Mary Campbell Center. Thank You.

-Jason C.

Thanks to all who supported me in the Forgotten Cats initiative. Cats need things like food, litter and bedding. I collect donations for Forgotten Cats. I help cats because seeing homeless cats make me sad, and being sad makes we want to help. It will help me become an Eagles Scout.

- Fred H.

FOOD FOR THOUGHT

How often does President Trump consider the needs of Disabled Americans?

In many of his speeches, President Trump says he loves this country. Talk is cheap. Has President Trump ever volunteered his time to the disadvantaged for the sake of genuine charity?

Does my president represent me?

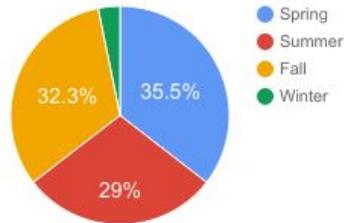

-Bill B.

March by the Numbers

7 = the number of resident birthdays celebrated
17 = recreational trips taken
44 = paws that entered the building for pet therapy
76 = number of bowlers that participated in the MCC bowling tournament

MONTHLY POLL

What is your favorite season?

DAY IN THE LIFE

7:15 I wake up

12:30 Finish lunch, check emails, activities in ASR
4:00 Walk with RCT to dinner
4:15 Eat dinner
6:00 Play Pacman or hang out
- Just another Tuesday for Billy

Cinema Sense

If you're looking for an incredible performance by a stellar cast, look no further than *Fiddler on the Roof*. Premiering in 1971, *Fiddler on the Roof* explores the meaning of love through the eyes of Tevye, an amiable milkman whose 5 daughters seek marriage in unconventional ways.

The film won 3 Oscars: Best cinematography, musical score, and sound. *Fiddler on the Roof* is a timeless classic about surviving a life of uncertainty, balancing between tradition and progression.

"Every one of us is a fiddler on the roof, trying to scratch out a pleasant, simple tune without breaking his neck."

- Brian F.

Comic Corner

Q. When do monkeys fall from the sky?

A. During Ape-ril showers!
